CRAYON SHINCHAN DIAGRAM!!

A popular and neat hairstyle!!

According to high school girls on the street, this neat, refreshing, manly, close-cropped style is what every girl wants her boyfriend to have! Why don't you try it too?

I want to take a look in here!!

It's impossible to decipher what he's thinking. However, it does seem that he has an imagination that goes beyond space and time. Adults from all walks of life are taken in by his way of thinking, which is always set at his own pace. One rumor has it that he's a genius, but his IQ is unknown.

What's reflected in Shin's eyes?

His razor-sharp eyes never miss a pretty girl, but they're also extremely effective in seeing right to the heart of an adult's weak point. The eyes only falter (indeed, to a state of near-blindness) when something unpleasant to Shin is around.

Everything goes in one ear and out the other!!

His convenient selective hearing always tunes out his mother's requests for favors and the like. And yet, his ears become extremely sensitive whenever people are talking about secrets. Often mishears things to comic effect.

The ultimate magic hands?!

Perfect when it comes to creating mischief of all forms, but the amazing dexterity suddenly vanishes when it's time to clean up. Once the hands grasp something big, they absolutely won't let go. According to the lines on his palm, he's apparently destined to live to be 100!!

Is Shin's mouth the most developed part of him?!

Whenever he sees a beautiful teenager or woman, he naturally goes into Lothario mode. Men the world over would do well to watch him in action. Many things that he comes out with, mistakenly phrased or not, aren't what you would expect from the mouth of a five-year-old. Unfortunately, this mouth also has a lot of cavities from eating too many Choco-Bees.

Limitless power in a small body

He has good digestion and an excellent appetite. What's the secret to Shin's vigor and vim?! It must be hair growing on his heart.

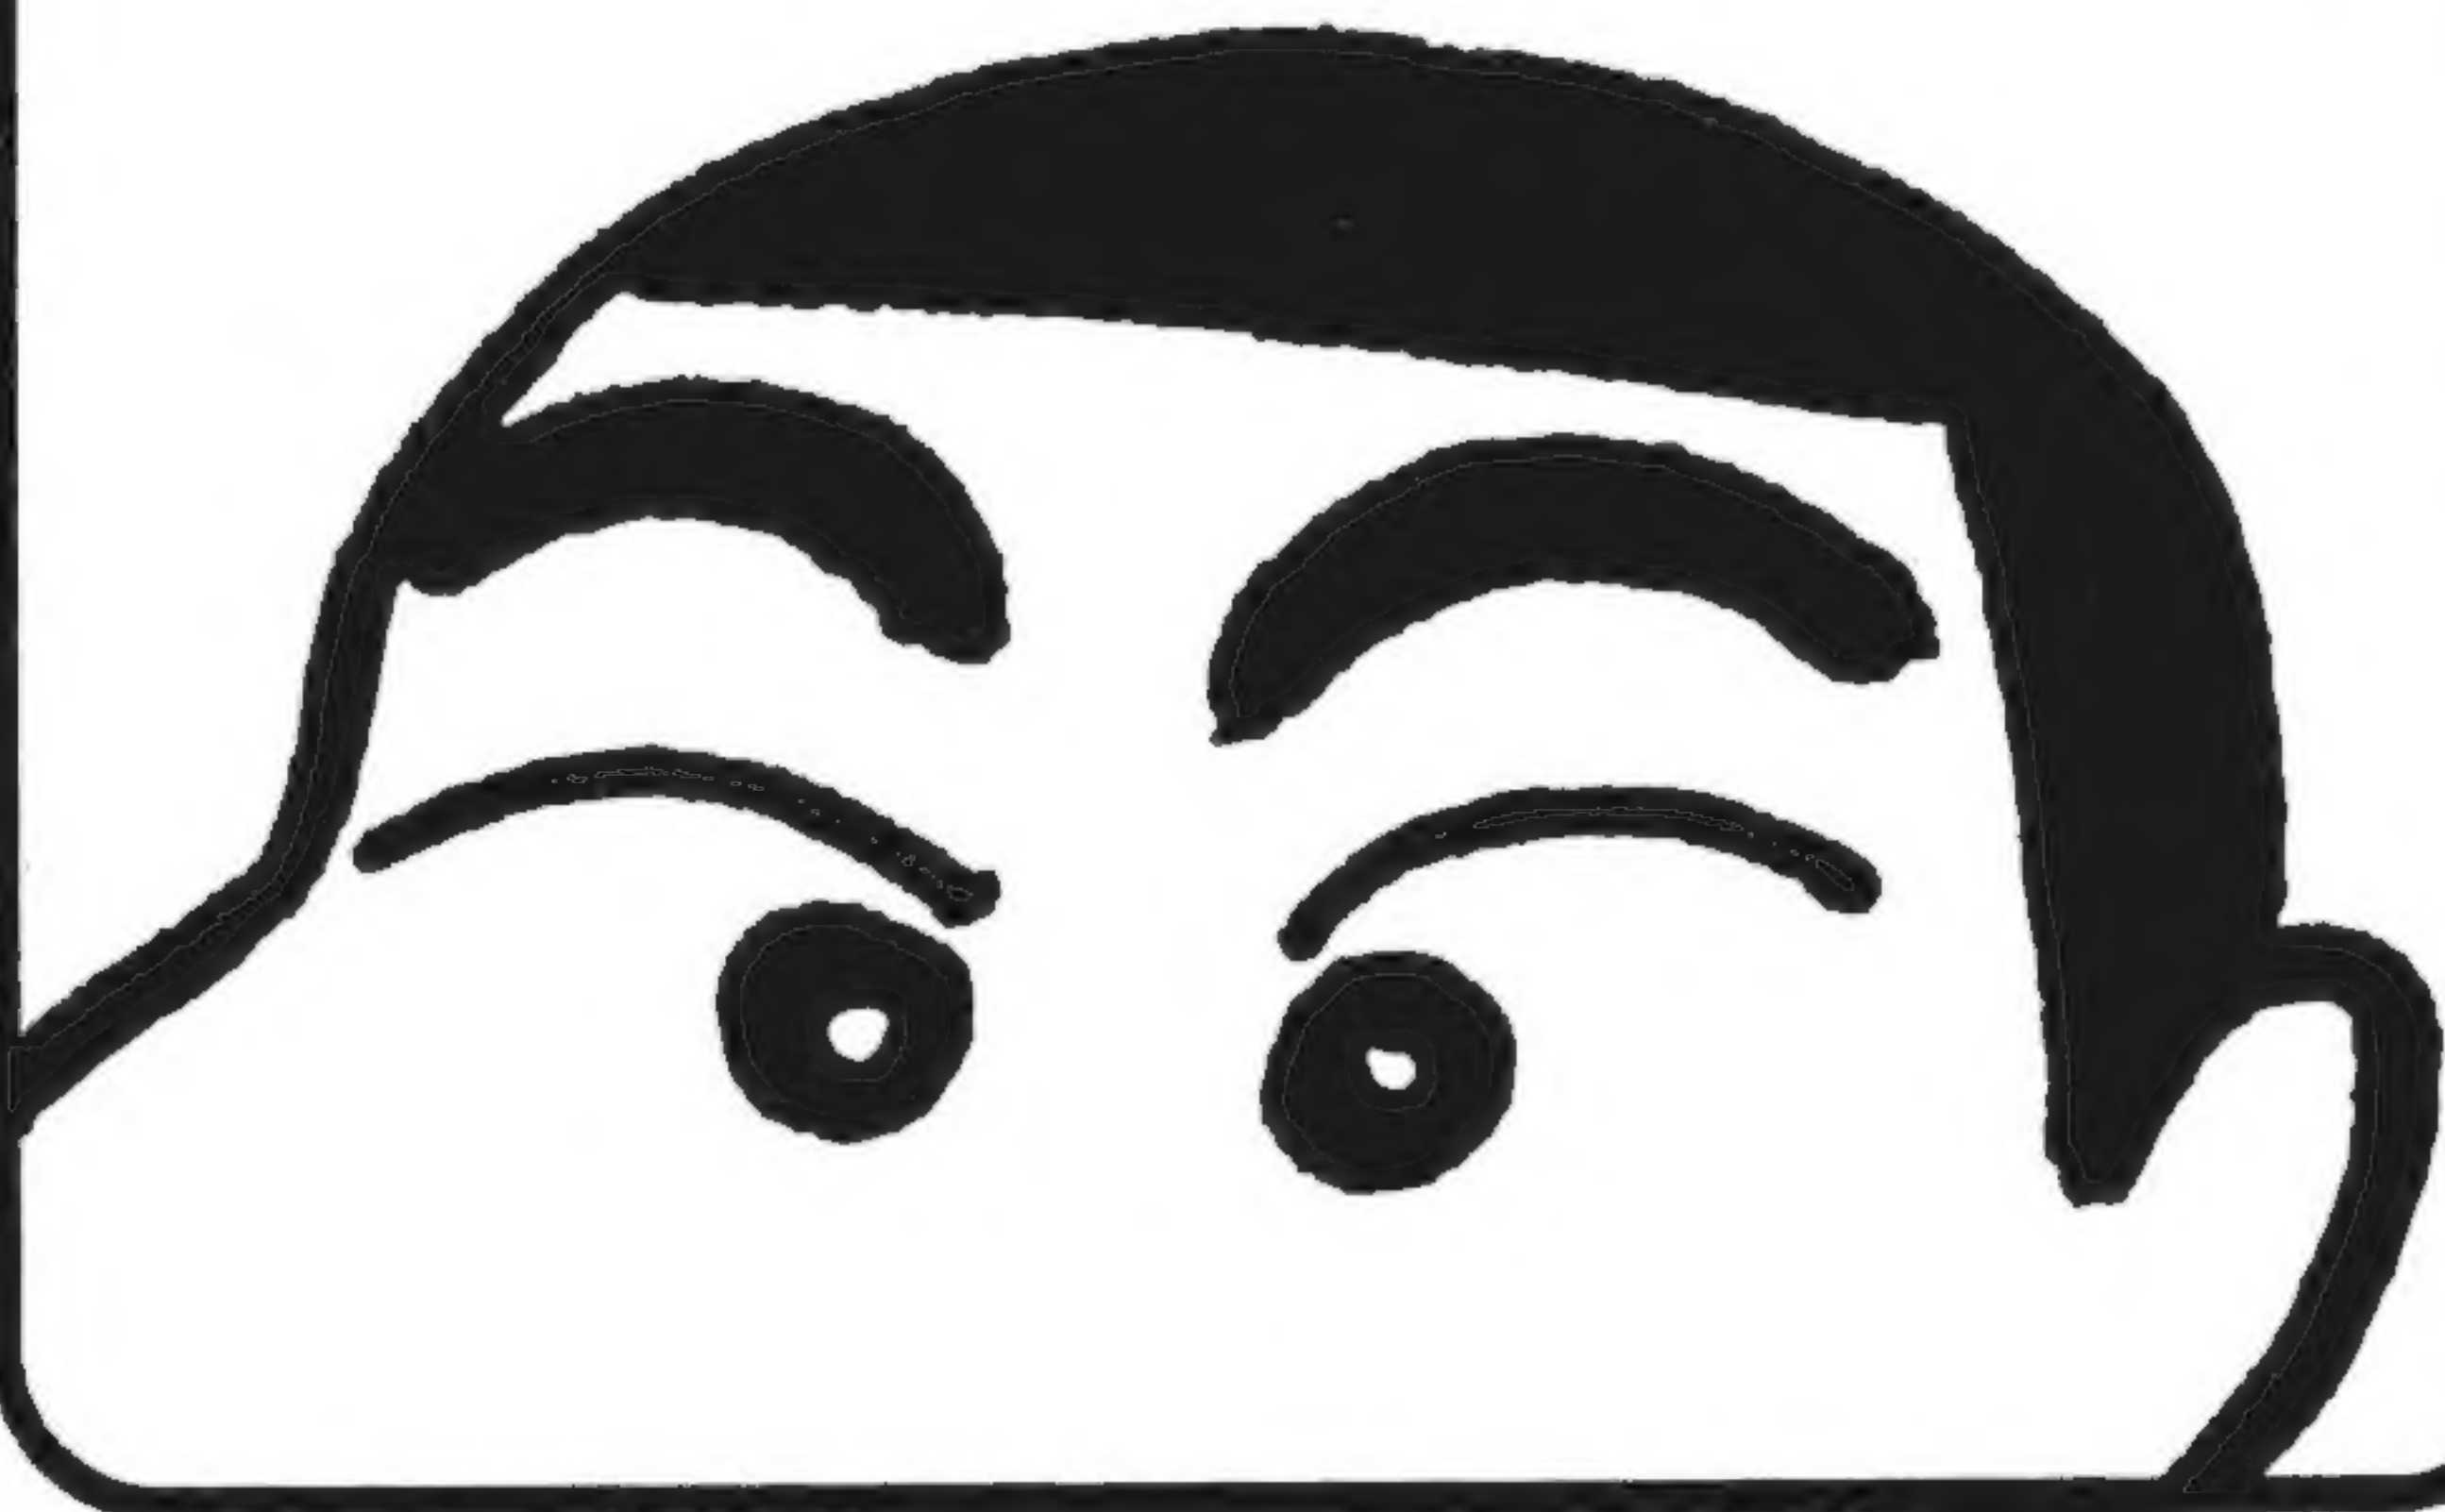

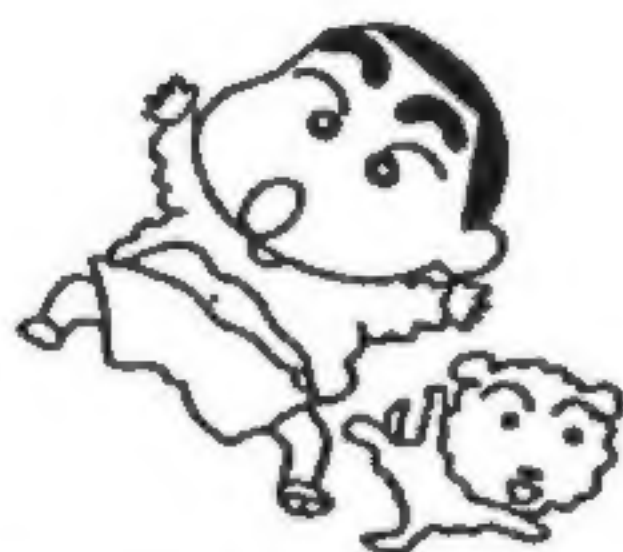

Little elephant?!

Of course, it's still a baby elephant. Try not to wet the bed!! Dad's got a wooly mammoth.

Shorts are a symbol of energy!!

These healthy legs even ran a marathon, although they never went the whole distance. When running away from Mom, the legs zoom along at an impressive 120% power level, but Shin is inevitably caught and given a spanking. Waahhhh!!

CRAYON Shinchan

Vol. **6**

By Yoshito Usui. Is it a dream? Is it an imaginary story? When Action Mask – Shin's favorite super hero – gets defeated in battle, it's up to Shin to save Earth from an alien invasion. With the fate of the world in Shin's hands, we're all in serious trouble! Then with interplanetary affairs resolved, Shin's ready to disrupt international relations as he ventures out on his first vacation overseas.

Meet the Noharas!

SHINNOSUKE NOHARA

(aka: *Shin, Shin-chan, Shin chan, Shinchan*)

5 years old. Likes pretty girls, drawing on himself, rolling around on the floor, and eating a tasty snack called Choco-bees. Frequently uses both words and his Mom's clothing in inappropriate ways. Also obsessed with bodily functions – his own and others'.

MITZI NOHARA

(aka: *Misae*)

Shin's easily frustrated mom. She's a stay-at-home housewife with the misfortune of being Shin's full time caretaker. Mitzi hasn't done much better in the husband department either, as Shin's Dad's behavior has to be closely monitored too. Frequently fantasizes about a better life.

HIRO NOHARA

(aka: *Hiroshi*)

A browbeaten "salary man" who is the family's sole breadwinner. He's low on the totem pole at work and doesn't get much respect at home either. Like son, like father: Hiro has the eye for the pretty girls too, and Mitzi's none too tolerant of it. He talks a lot in his sleep, which doesn't help things much.
